CONCERT REPORTS

Make-up work after parent-teacher conference
10 points per report, 5 reports = 1 missed performance credit

Attend five appropriate concerts (i.e. IWVCA, DCOA, CCCC, Maturango Museum...). For each concert, write a one page summary of musical concepts heard (1 page for each concert). Staple a program from each concert to each summary/report. Turn in all 5 concert reports to Simon Austin before the grading period is over to have credit applied to that grading period.

Questions should be directed to me at 375-4476 ext. 288.
